

Stormwater Pollution Prevention Plan (SWPPP) Inspector

Argus Construction Services, an established Phoenix-based environmental consulting firm, is looking for a self-motivated, enthusiastic individual to fill the position of Stormwater Pollution Prevention Plan (SWPPP) Inspector. The selected individual will inspect construction projects for compliance with stormwater regulations. This is primarily a field position requiring the majority of work hours to be spent outdoors on construction sites. **Experience in the following is preferred but not required. Argus Construction Services is willing to train the right individual.**

Essential Duties and Responsibilities:

- Conduct routine and storm event SWPPP inspections
- Provide continuous oversight of the project and communicate necessary changes to the appropriate individuals
- Identify concerns and coordinate with BMP installers to address compliance issues
- Communicate inspection results with clients
- Complete Compliance Evaluation Reports and Corrective Action Items in a timely manner

Attributes & Skills:

- Highly motivated
- Strong oral and written communication skills
- Ability to work well individually with minimal supervision
- Willingness to be a team player
- Ability to maintain own schedule and meet deadlines
- Excellent problem-solving, time management, and organizational skills
- Ability to read civil construction plans and topographical maps
- Capable of walking long distances on potentially difficult terrain

Candidates must have a valid driver's license and clean driving record

Salary DOE/DOQ.

Qualified applicants may submit their resume and cover letter to:
