

SWPPP Manager/Consultant

Argus Construction Services is looking for a self-motivated, enthusiastic individual to fill a full-time position of Stormwater Pollution Prevention Plan (SWPPP) Manager/Consultant.

This is a combination office/field-based position. Virtual work is not possible. Experience in the following is preferred but not required. Argus Construction Services is willing to train the right individual.

SWPPP Manager Duties:

- Manage field personnel and oversee inspections, documentation, and other field requirements
- Develop, train, and mentor field personnel
- Monitor/track SWPPP Inspection reports daily and review for quality and accuracy
- Audit project sites periodically to ensure quality delivery of services
- Assist in the coordination of the inspection schedule
- Develop, review, and update current procedures

SWPPP Consultant Duties:

- Conduct routine and storm event SWPPP inspections at multiple job sites in Arizona
- Complete written Compliance Evaluation Reports and Corrective Action Reports
- Provide SWPPP oversight of construction projects
- Coordinate with BMP installers to address compliance issues on jobsites
- Consult with clients regarding SWPPP regulations

Attributes & Skills:

- Highly motivated with an outgoing, confident personality and strong personal integrity
- Professional presence with strong oral and written communication skills
- Ability to manage, mentor, and work as a team player
- Willingness to embrace Argus company culture and lead team by example
- Excellent problem-solving, time management, and organizational skills
- Proficient with Microsoft Office Suite and Adobe Acrobat
- Ability to read construction plans

Candidates must have a valid driver's license and clean driving record

Salary DOE/DOQ. Qualified applicants may submit their resume and cover letter to info@arguscs.com or upload at www.arguscs.com/careers.
